# 24SL415U

## See a great picture. Stay connected.

Toshiba's SL415U LED HDTV delivers first rate visuals, plus Web and home network connectivity.

For those seeking impressive picture quality and connectivity, too, our 24" class SL415U LED HDTV is an excellent choice, blending Toshiba quality and reliability with NetTV and other great features for building out an impressive home entertainment network. Featuring an ultrathin design with chrome trim, the SL415U looks great in both the bedroom or kitchen. With built-in WiFi®, you'll enjoy convenient in-home connectivity without the cable clutter.

### Key Features:

#### 1080p Resolution

See colors and details like you never have before! Enjoy the highest level of HD picture quality with 1080p Full HD.

#### NetTV w/Yahoo!® Widgets

Do you ever want to see what's going on in the world without changing the channel? Now you can! TV Widgets delivers everything you need to your TV including news, scores and facebook updates.

#### Built-in WiFi®

Enjoy convenient in-home connectivity without the cable clutter to stream content from your media server or the internet.

#### DynaLight™

Increase detail and depth of the images on your screen with DynaLight™, a technology that monitors the brightness level of each video frame, even in low light settings.

#### USB (Video, Music, Photo)

Easily connect to your favorite videos, music, and photos via USB.

# Toshiba 24SL415U

<sup>1</sup>While every effort has been made at the time of publication to ensure the accuracy of the information provided herein, product specifications, configurations, system/component/options availability are all subject to change without notice.

<sup>2</sup>NetTV Third party internet services are not provided by Toshiba, may change or be discontinued at any time and may be subject to internet service provider restrictions. Toshiba makes no warranties, representations, or assurances about the content, availability or functionality of third-party content or services. Use of third party internet services may require the creation of a separate account through a computer with internet access and payment of one-time and/or recurring charges and membership. Not all third party services may be available on or compatible with this product. In order to experience the full suggested capabilities of this product, fully-compatible devices may be required.

<sup>3</sup>Wi-Fi Ready® Third party internet services are not provided by Toshiba, may change or be discontinued at any time and may be subject to internet service provider restrictions. Toshiba makes no warranties, representations, or assurances about the content, availability or functionality of third-party content or services. Use of third party internet services may require the creation of a separate account through a computer with internet access and payment of one-time and/or recurring charges and membership. Not all third party services may be available on or compatible with this product. In order to experience the full suggested capabilities of this product, fully-compatible devices may be required.

<sup>4</sup>HDMI®-CEC Use of HDMI®-CEC requires an HDMI®-CEC compatible display/peripheral device. Depending on the specifications of your device, some or all HDMI®-CEC functions may not work even if your display/peripheral device is HDMI®-CEC compatible.

<sup>5</sup>VESA® Mounting Pattern If you decide to wall mount your Toshiba television, always use a UL Listed wall bracket appropriate for the size and weight of the television. Care should be taken to place or install the display where it cannot be pushed, pulled over, or knocked down.
