

# 50L1450U LED HD TV

**TOSHIBA**  
Leading Innovation >>>

## PICTURE PERFECT. BIG ENTERTAINMENT.

Experience the large, vibrant, ultra-slim Toshiba 50" class L1450U LED TV combining quality 1080p Full HD, energy-efficient LED backlighting and essential features for the perfect big-screen TV. The 50" class L1450U stands out with its incredibly vibrant picture quality and sharp contrast. A full set of connections including two HDMI® inputs make it big on versatility, too. Whether you want to watch movies and videos in HD or use it for gaming, ClearScan® 120Hz doubles the refresh rate for clearer fast-motion video, while Dynamic Picture Mode delivers maximum contrast, clarity and color saturation. When it comes to audio, Audyssey EQ® and ABX technologies deliver clear, well-balanced sound. The 50" class L1450U is everything you need in big-screen HD entertainment, all in an elegant modern design that looks great in any room.

**CS120Hz**  
ClearScan™

ClearScan® 120Hz doubles the refresh rate for clearer fast motion
